Other Essential Information: (e.g. plan for those with special needs/disabilities, out-of-town college students, pets, etc.)

Additional Steps for Preparedness:

- ✓ Ensure each family member has a current photo of every other family member in their cell phone. Post photos of each family member on the back of this plan (especially important for young children and those without cell phones).
- ✓ Ensure each family member has an updated copy of this Family Emergency Plan (e.g. a snapshot in their cell phone).
- ✓ Ensure digital copies of important documents (e.g. passports, driver's license, etc.) are stored securely offsite.
- ✓ Notify emergency contacts and extended family members about your Family Emergency Plan.
- ✓ Update this plan every 6 months or as needed, and keep printouts of the most updated plan in a visible location and a copy in your emergency kit.
